Study Leave for Years 11-13: Monday 12th October to Thursday 15th October only.

Year 10 (or lower) students sitting these examinations may have study leave for their NCEA class(es) and the morning of their NCEA practice examination(s) if this examination is in the afternoon. Apart from this they must attend their Year 10 classes.

All examination sessions are for 3 hours.

All students must remain in the examination for at least the recommended time for the standards they are entered for. This is one hour per standard.

Please note that the afternoon examinations finish at 4pm.

All examinations will be held in the College Gymnasium.

Students must ensure they:

- Bring all necessary equipment and stationery to their examinations.
- Turn up in plenty of time and on the correct day.
- Arrive at least 15 minutes prior to the start of the examination.
- Wear correct school uniform to the examinations.

Students wishing to sit examinations at an alternative time must apply to the Deputy Principal, Mrs Sadler, prior to Friday 18th September.

Permission will only be granted for genuine clashes of events.

Students who are sick or who for other reasons are unable to attend an examination must have a parent contact the College prior to the examination starting. In these cases it will not usually be possible to sit the examination in another examination time slot.

Cell/smart-phones, smart watches, i-pods and headphones are not permitted during examinations.
