COVID-19 UPDATE Alert Levels 3 & 4

Kia ora students, parents, caregivers and wider whanau

As you will be aware this afternoon, the Prime Minister raised the Covid-19 pandemic to alert levels 3 & 4. This means that all schools must close.

We have therefore closed our campus as of the end of school today. There will be no students allowed at school tomorrow, Tuesday, the 24th of March except for the children of those parents who work in essential services (doctors, nurses, police, etc).

We ask parents who work in essential services and who choose to continue to send their children to school tomorrow, to please notify the College Office before 8am tomorrow, so we can ensure the safe arrival and supervision of their child(ren).

This closure of the College site is expected to last for at least 4 weeks.

Tomorrow, we will send further information regarding our on-line learning programme.

These are unprecedented times and all families are asked to remain at home over the next four weeks to limit the risk of the virus spreading.

May the protection of God and the compassion of our family, friends and neighbours be with us all over the coming weeks.

Paul McGuinness
